The Reflexology Zone" is a Continuing Education program divided into 12 monthly courses.

To Every Reflexologist:

You Have Your Reflexology Certificate.

Now what?

Do you want to:

1. "Fill in the gaps" that the basic training did not cover?
2. Learn advanced techniques and techniques for specific health conditions?
3. Belong to a community of like minded people, to share the ups and downs of working for yourself as a solo-preneur?
4. Build a wider skill set of tools to cover all health issues that your clients present with?
5. And Increase the income from your practice!?

You have most likely heard the saying that "knowledge is power" - well my driving force is to empower all my students with knowledge that will help them to achieve their personal & financial goals.

In 1991 Lauren Slade decided to share her body of knowledge with more people & founded the Universal College of Reflexology. Over the past 20 years Lauren has created over 2,500 hours of college course programming.

From these 2,500 hours of programming Lauren has distilled 12 courses, which will change the way you practice Reflexology forever.

You need to earn money quickly. You also need the high standards of professionalism. Lauren has combined both for you:

The Reflexology Zone" is an accredited Continuing Education program divided into 12 monthly courses.

Each of these monthly courses has been personally developed by Lauren and offered dozens of times over a 20 year span, where she has honed and defined the techniques and information to offer you the most effective and simplest form of practical knowledge and healing available anywhere in the world.

Imagine getting the benefit of 20 years of learning and experience in just 12 months!

Monthly Courses include:

- **Maternity Reflexology**
- **Facial Reflexology**
- **Reading the Feet**
- **Banishing Back Pain**
- **Dealing with Diabetes**
- **European Reflexology Techniques**
- **Meridian Reflexology**
- **Natural Thyroid Balancing**
- **Allergy Relief**
